A wooden door with a decorative metal grille and a small bird perched on the handle. The door is set within a dark frame, and the grille features a repeating geometric pattern. A small bird is perched on the handle, and a small bird is also visible on the door panel above the handle.

A modern wooden door with a black frame and glass panels, featuring a vertical light strip and a decorative eagle emblem. The door is made of horizontal wood planks and has a black frame. It features a vertical light strip in the center and glass panels on either side. A decorative eagle emblem is visible on the right side of the door.

A modern wooden door with a vertical glass panel and a decorative eagle emblem at the bottom. The door is set within a dark frame. The wood has a rich, reddish-brown finish. The glass panel is narrow and vertical, with a silver-colored frame. The eagle emblem is gold-colored and features a shield with stars and stripes. The door is shown in a closed position.

A wooden door with a glass insert and a decorative eagle emblem. The door is made of dark wood with horizontal grain. The glass insert is on the left side, featuring a grid pattern. A vertical silver handle is in the center. Below the handle is a decorative eagle emblem. The door is set in a dark frame.
